

LET US SECURE YOUR BUSINESS. WHILE YOU DO YOU.

INTRODUCING GB+

If you really want to grow your business, get out of strapping. Stop spending capital on tools and equipment. Stop worrying about maintenance and repairs. Stop spending hours and hours purchasing and managing consumables like strap. Stop wondering how you're going to put sustainability into practice. Just. Stop.

WE HAVE A BETTER ALTERNATIVE: GB+.

And it's all about letting industry leader Greenbridge secure the strapping side of your business so you can do you. You know, business development, sales, marketing, product development. The stuff that fuels growth.

GB+ includes all consumables like PP and PET strap and cord.

HERE'S GB+ IN A NUTSHELL:

- » We give you access to the best strapping equipment and tools in the industry. No purchase required.
- » We supply the strap and accessories you need to secure your products across your supply chain.
- » We maintain the tools and equipment for you so it keeps running. If there's a glitch, we fix it.
- » We even help with sustainability, reducing your dependence on landfills while increasing recycling and reuse.

Can you say “Winner, winner, chicken dinner?”

ABOUT GREENBRIDGE

Founded in 1974 as Polychem, we rebranded in April 2021 as Greenbridge to reflect our commitment to providing proactive solutions to customers across North America seeking to achieve more sustainable, high-performing operations. Our early reputation was based on our quality polyester, polypropylene and cord strapping. Today, years of growth and strategic acquisitions have made Greenbridge a leading end-of-line packaging supplier, with integrated solutions that encompass tools, equipment, systems, and services that help tame the most challenging supply chains.

Greenbridge is committed to the safety of our team, the quality of our products and services, investing in continuous improvement, advancing the circular economy, and fostering sustainable customer success.
